CANINE ATTENDANT TRAINING CERTIFICATION

Full Day Course for Animal Professionals

- Uniquely designed for Veterinary Technicians, Kennel Attendants, Doggy Daycare Attendants, Professional Dog Walkers, and Animal Care Professionals.
- Throughout the day participants will learn how to read canine body language, understand vocal communication, identify their emotional state as well as how to change their emotional state to promote safety for both animal and handler.
- The Canine Self Defense portion of this course equips the participants with the skills to defuse a volatile dog, safely break up a dog fight and protect themselves in the event they are attacked by a dog.
- Other topics covered include: recognizing early warning signs of behavioural concerns, distinct training needs of each breed group, and least intrusive, minimally aversive, training techniques designed to satisfy the unique needs of the individual dog.
- Participants receive their Canine Attendant Training Certificate and 5 OAVT (Ontario Association of Veterinarian Technicians) continuing Education Credits.
