Entry: Please note that priority entry will be given to trial volunteers, Quinte Canine students and SDDA judges but must be received during the opening time of the trial – once priority entries have been processed, we will complete random draws for other entries. Please note that in order to not penalize those with slower fingers (typing) we will leave the entry open for a short period of time before closing it. Please note confirmations of entry will be emailed as soon as possible once received – the confirmation of entry will include the amount due within 24 hours as well as the password for your email transfer. Confirmation of entry receipt on Google Form online once you hit submit (not emailed) will be automatic - this does NOT constitute a successful entry. Once we have accepted your trial payment, your entry is complete.

Please list a telephone number in which you will be available on the day of opening – this will allow us to reach you as soon as possible if amendments to your entry are needed (example: you enter everything but only one or two of those selected are available). If we are unable to reach you within 24 hours we will move onto the next entry.

Time: Started Arrival time: 8:30am → Judge's Briefing: 8:45am
Games Arrival time → To be emailed prior to the trial

Running Order: will be determined by random draw prior to the trial date. The run order will be emailed to handlers prior to the trial date but is subject to change up to and including the date of trial. The final run order will be posted the

day of trial. Bitches in heat are allowed to compete and will run last in each component level. We ask that you notify us ASAP if your bitch is in heat so that we can adjust the running order. Bitches in season must wear panties at all times on trial grounds.

Refunds for Medical Reasons: entry fee refunds will be given for any dog withdrawing for medical reasons. A Veterinary Certificate must be submitted before the start of the trial.

Refunds for Other Reasons: If a dog is removed from the trial at least 7 days prior to the trial date and a substitute person on the waiting list is able to fill the space (if trial fills) a refund will be provided less a \$5 per component fee. Refunds will not be issued for persons who do not show up to the trial or for withdrawals within 7 days of the trial date.

Awards: Qualifying ribbons will be presented per component and rosettes for titles. High in Trial rosette and prize.

Crating: There will be no indoor crating available. Please be prepared to work from your vehicle.

Photo/Video - By submitting entry, the client agrees to release photo and video to the ownership of Quinte Canine for promotional or educational purposes.

Paw Coverings: paw coverings, that prevent scratches, are required at this trial for vehicle searches. Only the front feet of the dog need paw coverings. We strongly encourage paw coverings for any dog who paws when searching in any component. If your dog scratches any item or vehicle during any search component, by submitting and entry, you are agreeing to pay the full replacement or repair cost of the item damaged regardless of the amount. Please know that this could be minimal or hundreds of dollars. Any dog can unexpectedly scratch at an odor so it is the handler's responsibility to fully understand and mitigate this risk.

Equipment: Please ensure that you have carefully and fully read the Master rulebook for equipment rules. Absolutely no prong collars, shock collars or retractable leashes are allowed on the trial grounds at anytime.

Other: Please respect the orange cones on the property (do not venture past them). If there are orange cones set, please do not proceed past them or allow dogs to urinate on them. **SCOOP YOUR POOP! Any person not strictly following this rule will be removed from the property without refund.**

Facebook Group: As in past years we will once again host a Facebook event page to keep you posted about developments, or fun news. Please join us by "Going" to the event on Quinte Canine's Facebook page at www.facebook.com/quintecanine

Please note that due to insurance reasons, handlers must be over the age of 10 on the date of the trial to participate. All handlers aged 10-16 must have a legal guardian present at all times. If the handler is younger than 16, please have the legal guardian complete the form as well as email quintecanine@hotmail.com immediately to advise.

By submitting entry the handler is confirming that the dog is up to date on the Distemper, Hepatitis, Parvo and Rabies vaccination on the date of the trial. Handlers may be asked to provide proof of this at anytime leading up to the trial. If an entrant is not current with these vaccinations and is asked to provide proof, they have until trial date to bring their vaccinations current or they forfeit their entry and all associated fees. Quinte Canine will accept Titre test results with veterinary letter in lieu of vaccinations.
