GENERAL INFORMATION: This is a Canadian Association of Rally Obedience (CARO) sanctioned trial that will be held under CARO rules and regulations. Through submission of their entry, the Competitor acknowledges that they have read and understand the CARO rules and regulations. All dogs must have a CARO registration number in order to compete. This registration should be applied for in advance of the trial, or you may do so at the trial by bringing the completed form, and a cheque for the correct amount (payable to CARO).

It is expressly understood that exhibitors alone are responsible for the behaviour of their dogs and/or persons attending with them. Any exhibitor whose dogs and/or persons attending with them (including children) create unnecessary disturbances or engages in unsafe, disruptive, or aggressive behaviour may be asked to leave the grounds; no refunds will be given.

An officiating Judge, and/or the Chairperson of the trial, may dismiss from the trial site any person subjecting the Judge, members, volunteer, or the organizing committee to abuse, whether that person is competing in the trial or not.

Please note that due to insurance reasons, handlers must be over the age of 10 on the date of the trial to participate. All handlers aged 10 to 16 must have a legal guardian present at all times. If the handler is younger than 16 years old, please have the legal guardian complete this form as well as email quintecanine@hotmail.com immediately to advise.

By submitting entry, the handler is confirming that the dog is up to date on the Distemper, Hepatitis, Parvo and Rabies vaccination on the date of the trial. Handlers may be asked to provide proof of this at anytime leading up to the trial. If an entrant is not current with these vaccinations and is asked to provide proof, they have until trial date to bring their

vaccinations current or they forfeit their entry and all associated fees. Quinte Canine will accept Titre test results with veterinary letter in lieu of vaccinations.

Private Property: Please potty your dog only to the east of our building (between the building and brush) as all property to the west of our building (the neighbourhoods) is private property. If you need to walk your dog prior to the trial after a long car ride, just email us for some suggestion on local public areas that you can go.
